### *"Passport to the World"*

The Philadelphia Flower Show will present an international bouquet of exhibits in 2010. The Show will use international celebrations to highlight the flowers unique to each region. The entrance garden will raise up America's love of flower and vegetable gardening, showcasing plants and produce in ways you've never seen before! The six Showcase Gardens will feature:

- The excitement of **Brazil's Carnivale** with exotic tropicals
- **Singapore's Garden Festival** with an amazing display of orchids
- **Holland's Flower Fields** with a rainbow of bulb and cut blooms
- A beautiful recreation of **India's lavish wedding ceremonies** with roses, marigold leis, lotus and elephants
- **South Africa's Heritage Festival** of native tribes and unique flora and fauna
- **New Zealand's Garden Festival** with its distinct plants and flowers
