CARNIVAL CELEBRATION: GREAT FUN TOGETHER

You know, it's hard work making effortlessly-fun vacations. That's why we're looking forward to kicking back with you on Carnival Celebration as we toast to the last 50 years. This new ship sets sail in November! So please bring that unique Carnival spirit... and know that this ship's bringing the fun. Just like sister ship Mardi Gras™, Carnival Celebration has **six Zones** — themed areas that bring together incredible experiences and flavor. And as the second ship ever with **BOLT™** — our onboard rollercoaster — we'll make sure it's every bit as speedy and thrilling. Carnival Celebration also marks the return of innovations like **Bonsai Teppanyaki™, RedFrog® Tiki Bar, Family Feud™ Live, Havana Bar™, Seuss at Sea™, Playlist Productions™** and more. That ought to be enough fun for anybody — all powered by clean LNG fuel — but there's so much more we'll be revealing as soon as we build it.
