MARDI GRAS: FUN-FUELED VACATION INNOVATION

When we launched our first ship, 1972's *TSS Mardi Gras*, we made cruising a lot less stuffy, a bit less fancy, the kind of fun everybody could enjoy. Nobody expected this ship to change the cruise world, but... here we are! In 2020 we'll be launching a brand-new ship with a familiar name. You guessed it: *Mardi Gras*. We aren't just paying homage to our first ship — in cruising circles this name suggests innovation, signals the start of something big. And it shouts "fun!" at the top of its lungs. We're building this new *Mardi Gras* to live up to that legacy, so start daydreaming now! For one thing, this ship introduces **Zones** — six themed areas packed with brand-new experiences for eating, drinking and spectacularly getting down to fun. More announcements are still to come, but we're all ready to pull the wraps off what may be the most thrilling: **BOLT™**, the first-ever rollercoaster at sea! Everybody can enjoy *Mardi Gras*, sailing in 2020. Come on down!
