Celebrity Edge 7-night Alaska Dawes Glacier Cruise with pre-night in Seattle

August 5 - 13, 2027

From soaring mountains to glacier-filled waters, Alaska is a breathtaking destination that offers unparalleled natural beauty. Cruise through stunning landscapes, spot wildlife up close, and soak in the tranquility of this majestic region. Experience the thrill of ice calving as you sail through pristine fjords and witness the raw power of nature.

Engage in activities that allow you to connect with the environment and explore the wilderness. Discover why nothing comes close to experiencing Alaska with Celebrity Cruises, where unforgettable memories await you in the Last Frontier.

Alaska's Endicott Arm Fjord marks the southern edge of the 653,179-acre Tracy Arm-Fords Terror Wilderness area.

As you sail through its 30-mile-long stretch, you can't help but be amazed by the untouched beauty of the surrounding granite mountains, verdant valleys and numerous waterfalls. Drifting icebergs, deep blue waters and a spectacular tidewater glacier only add to this natural spectacle's appeal. Endicott Arm is one of the largest breeding grounds for harbor seals on the planet. Keep your eyes open for these creatures splashing in icy waters near the ship or floating with their pups on giant chunks of ice. Along the shore you might also glimpse brown bears, bald eagles, sea ducks, deer, moose and wolves. Your journey through scenic Endicott Arm Fjord ends with a front-row view of the striking Dawes Glacier. Standing over 600 feet tall and a half-mile wide, this very active icecap is known for its spectacular calving displays which noisily produce huge, chunky icebergs that float in area waters. Remember to dress in wind-resistant layers to view the scenery outside on deck.
